

May 3rd, 2023

It is with great sadness and heavy hearts of Rory Dolan and all of our staff as we mourn the passing of one of our own, Eileen Deighan.

Eileen, an alumnus of Maria Regina Highschool and Concordia College, worked with us for over a year as she pursued her nursing degree at the Montefiore School of Nursing. Eileen had a passion for nursing from a young age with aspirations of working as a pediatric oncology nurse to care for those like her older brother Billy that unfortunately passed away 18 years ago.

Eileen's time at Rory's formed lasting friendships we will cherish and never forget. From the infinite amount of laughs to her constantly untied tie. She always found a way to put a smile on everyone's face. If there was one thing anyone here knew for sure, it was that if you were scheduled to work with Eileen, it would be a good day. Each and every one of us at Rory's has our own moments and memories of Eileen that we will hold near and dear to our hearts.

We couldn't be more proud of her for passing the NCLEX and achieving her dreams of becoming a pediatric nurse and we are grateful to have been a part of her journey.

Eileen was an absolute light in this world and was taken far too soon. Our hearts go out to her loving family and friends as they mourn the loss of such a beautiful young woman. Rest In Peace Eileen

Rory Dolan & all the Staff
